

Damina _Table lamp

Essential and compact, the Damina cordless, rechargeable battery lamp is designed to bring wireless lighting wherever you need it. This rechargeable LED table lamp features a sleek and minimal design, with a touch control on the top that allows you to switch it on and off, adjust brightness, and select the color temperature (2200K, 2700K, 3000K). Made of painted die-cast aluminum with an opal polycarbonate diffuser, Damina is particularly sturdy and suitable for outdoor use (IP65). Its lithium battery pack, which is replaceable, provides up to 8 hours of autonomy at full power and recharges in just 4 hours with the included contact charging base. The USB charger is sold separately. Available in four elegant finishes—white, red, black, and grey—Damina combines practicality, style, and versatility in a compact and durable form, ideal for home interiors, outdoor spaces, or contract settings.
